

Cancellation of MF-TOKYO 2021 “The 7th METAL FORMING FAIR TOKYO”

MF-TOKYO 2021 scheduled to be held at Tokyo Big Sight from July 14th to 17th, 2021 has been canceled due to the following reasons:

- ① The 2020 Tokyo Olympics and Paralympics will be postponed until 2021, and the period of the use of Big Sight for the Olympics and Paralympics will overlap with that of MF-TOKYO 2021, so we are unable to secure the exhibition spaces as planned.
- ② As the epidemic of COVID-19 may not subside by the time of the fair, the health and safety of visitors, exhibitors and related parties cannot be ensured.

It is deeply regrettable for us as organizers, but we sincerely appreciate understanding from all exhibitors and those who have been cooperating with us. The next fair will be held in 2023.
